NOTES REFERENCED ON PARTS CATALOG PAGES

- 61** Stock Locations should be changed in all parts.
- 62 CERTIFICATION NOTE:**  
All listed modifying devices listed with the Catalog and which are included in the current Parts Price List are being available through JEEP/DAILE Service and Parts Operations. All orders to comply with the Exhaust System Certification Requirements contained in Title 13 California Administrative Code Sections 1055 through 1054, be used in reference to which they are listed.
- 63** All required Anodizing Parts **ARE INCLUDED** with this component.
- 64** **Processor Code MUST BE SUPPLIED** when ordering Transmitter.
- 65** This is a production related comment from our Assembly. On the Case appears a stamped code "C4" There is no ID tag.

06.01.1  
P.E.S.

- 66** This is a order related variable rate Data Assembly. On the Case appears a stamped code "33" and an ID. tag which reads "800 333 service".
- 67** Please refer to the current **Inventory Reference Catalog** for this Part. Only the serviceable components of assembly items are included in this Part Catalog.
- 68** Order new Part Number same as appears on part being replaced.
- 69** The Mopar Support is replacing the discontinued Wiring Harness Kit when installing a New Support, use Locks #312 Adhesive and the Adhesive Kit Locks Adhesive #312, or equivalent, in order to mount the Support to the Wrenchend Cross.
- 70** When ordering a replacement Curvature, it may be necessary to also order Spacers Shim Kit #83100 042 Refer to Item #2 on Page 19 of 3.
